EAST BALI CASHEWS Corporate Gift Baskets

CRAFTED BY FARMERS. SOURCED FROM NATURE

Located right at the source on the volcanic island of Bali, we have direct access to the freshest produce the Indonesian archipelago can provide. In close collaboration with our farmers, we craft together our mouthwatering and lip-licking wholesome recipes.

East Bali Cashews is a social impact enterprise. With a firm commitment to creating opportunities, East Bali Cashews has created hundreds of jobs and improved the quality of life for the community in East Bali and beyond by building the area's first preschool, providing access to healthcare, and implementing farming improvement projects.
